American Cruise Lines Introduces New National Parks Post-Cruise Packages Exploring Glacier, Yellowstone & Grand Teton National Parks

GUILFORD, CT—March 3, 2022—American Cruise Lines is pleased to announce brand new land packages for post-cruise explorations of the country’s beautiful national parks. For 2022, American has added 3 and 7-night *National Parks Post-Cruise Packages* which allow guests to extend their cruise experience and enjoy personalized guided explorations on land in several of our nation’s most famous national parks. The new land packages are commissionable for Travel Advisors.

American's *Columbia & Snake Rivers* cruises visit Washington, Oregon, and Idaho, and now with the new *National Parks Post-Cruise Packages* guests will also be able to visit Wyoming and Montana, delighting in guided explorations through 3 National Parks: Glacier, Yellowstone, and Grand Teton. All *National Parks Packages* feature a private guide throughout the journey, as well as specialized local guides and Park Rangers for daily experiences.

The **7-night National Parks Post-Cruise Package** begins in Clarkston, WA, highlighted by an exhilarating *Jet Boat Adventure* through Hells Canyon, and lunch at a private ranch within the canyon—North America's deepest. The adventure continues with an overnight visit to the picturesque lakefront town of Coeur D'Alene, Idaho, followed by 2 days of personalized exploration in **Glacier National Park**, known for its glacier-carved peaks, ancient forests, and turquoise lakes. Next, guests travel onward for 2 days of discovery in **Yellowstone National Park**, including a visit to Old Faithful. Guests will marvel at the many natural wonders Yellowstone has to offer—from majestic wildlife and colorful geyser basins, to glacial lakes and waterfalls. After Yellowstone, guests will experience **Grand Teton National Park** where lucky visitors may see gigantic bison grazing, just as they have for thousands of years. The package also features 2 nights stay in Jackson, Wyoming, situated at the base of the Grand Tetons, showcasing rodeos, shopping, western art galleries, and the most dramatic alpine scenery in the United States.

American's **3-night National Parks Post-Cruise Package** also follows select *Columbia & Snake Rivers* cruises, and includes the *Hells Canyon Jet Boat Adventure* in Clarkston, WA; an overnight in Coeur d'Alene, ID; and a guided exploration of Glacier National Park. Both the 3 and 7-night post-cruise packages include meals, concierge luggage service, and private transportation to nearby airports.

American's 2022 domestic cruise season is just beginning—offering the newest and largest fleet of small ships, which explore the country's great rivers and picturesque coastlines in over 33 states through December. American also offers domestic *Flat Rate* airfare, *Complimentary Pre-Cruise* hotel stays, as well as 1-night *Post-Cruise Packages* on select 2022 itineraries.
